*Infinity's
summary*

" To explain the vibe you get at a Yoothamurra wedding in a few words would be ' relaxed sundowner'. The property is constantly kept green and manicured all year round and they hold the highest standard. We also love the one wedding a weekend rule because it really allows us to give the couples a relaxed and stress free experience. "

A romantic scene of a bride and groom embracing in a field. The bride is wearing a long, lace-trimmed white gown with a large open back, and the groom is in a dark suit. They are standing in front of a white wooden fence, with a dense line of trees in the background. The overall mood is soft and intimate.
