# YOOTHAMURRA HOMESTEAD

Yoothamurra is situated in Oakford WA, 35 mins from Perth CBD.

Originally run full time as a dairy cattle farm by the Kargotich family, the gates opened to weddings in 2017.

We are constantly told exclusive use of the venue over the whole weekend is one of the main highlights!

Incredible homestead with 7 bedrooms, it really has to be seen to be believed.

Dreamy established gardens with many photo opportunities including the famous 'tree tunnel' at the end of the driveway.

Multiple ceremony locations

20x10 marquee with full fairylight roof set amongst the trees

Can host up to 150 guests

A 'BYO' venue, which allows BYO beverages.

*Infinity's  
summary*

The vibe you get at a Yoothamurra wedding explained in a few words would be 'relaxed sundowner'. The property is constantly kept green and manicured all year round, and held to the highest standard. We also love the one wedding a weekend rule because it really allows us to give the couples a relaxed and stress free experience.

A romantic wedding scene featuring a bride and groom embracing in a field. The bride is wearing a long, lace-trimmed white gown with a large open back, and the groom is in a dark suit. They are standing behind a white wooden fence, with a dense line of trees in the background. The overall mood is soft and intimate.

A romantic scene of a couple in wedding attire running away from the camera in a field at sunset. The woman is on the left, wearing a white wedding dress and a wide-brimmed hat. The man is on the right, wearing a dark suit. They are holding hands and running towards the horizon. The background shows a large building with a corrugated metal roof and a clear sky with a warm sunset glow. The overall mood is joyful and intimate.
