This will be done by Infinity staff

## What happens if anything gets damaged or broken?

Our REAL Flower for HIRE ranges are not as fragile as they look!

The contract that you will receive as part of your booking sets out replacement costs for each individual items.

Depending on the severity of the damage to the hire item the repair or replacement value will be invoiced

## Rain or wet weather

**This is probably the most important one- Unfortunately dried flowers DO NOT LIKE any moisture. If it is forecast to rain or sprinkle, you MUST move indoors/marquee.**

## Additional items

Other keepsakes, like flowergirl crowns, parent gifts, or unique pieces like dog collars etc can be ordered in advance via coordination from Infinity, Prices will be quoted upon request.

## Changes to the Packages

Can be discussed via Infinity, who will direct all questions to us.

## Bouquet Toss

Is not allowed with HIRE bouquets. If a toss bouquet is required we can make a budget version for you.

## Keepsakes vs HIRE

Your Bridal bouquet, and your Buttonholes are Keepsakes, everything else is a HIRE item and must not be taken by guests. Please ensure this is communicated.
